

# The Delores Project

TRANSFORMING LIVES THROUGH  
CREATIVE HOUSING SOLUTIONS

## **THANK YOU FOR CHOOSING TO HOST A DONATION DRIVE TO SUPPORT THE DELORES PROJECT!**

Here are some tips and tricks to help you collect items that support our guests and residents with basic necessities for their everyday lives.

- Select a donation drive coordinator or committee
- Check out our “Our Current Needs” website page to ensure you are collecting necessary items
- Decide what items your group will be collecting -- All items on our list? Or a themed drive of food items, toiletries, etc.?
- Establish a goal for the amount of items you will collect
- Promote your donation drive using social media, email, internal communications tools, newsletters, and any other method that is convenient for you and your participants
- Create bins or receptacles to collect items and post the provided flyer
- Provide curious donors with information about The Delores Project
- Once the drive is complete, contact the Volunteer Coordinator to schedule delivery:

# The Delores Project

TRANSFORMING LIVES THROUGH  
CREATIVE HOUSING SOLUTIONS

The Delores Project provides a safe and supportive community for individuals moving from homelessness to stable housing. We operate the only extended-stay shelter in Denver serving women and transgender individuals, along with Permanent Supportive Housing apartments for people with a disability who were previously chronically homeless.

We rely on over 800 volunteers annually to support our mission and programs  
Volunteers & in-kind donations save us over \$200,000 each year.

### Housing-Focused Shelter

|                               |                       |
|-------------------------------|-----------------------|
| 284                           | 19,354                |
| INDIVIDUAL SHELTER GUESTS     | BED NIGHTS SERVED     |
| 47 NIGHTS                     | 74,619                |
| AVERAGE LENGTH OF STAY        | MEALS & SNACKS SERVED |
| 23%                           |                       |
| GUESTS WHO MOVED INTO HOUSING |                       |

### Permanent Supportive Housing

|   |                                      |  |
|---|--------------------------------------|--|
| 42  | 14,235                               |  |
| RESIDENTS HOUSED                              | BED NIGHTS SERVED                    |  |
| 71%   | 32                                   | 21                                     |
